A suggestion

You can add one new book
to your church library
every year at no additional cost. . . .

A book filled with articles
about Evangelical Outreach,
worship, social service projects,
and other timely topics for
small-group discussion. . . .

One "chapter" of this book
(a copy of *The Lutheran Standard*)
arrives in the mail
twice each month
(once a month in June, July,
August, and December). . . .

Use an inexpensive paper punch
and a simple, three-ring notebook
to assemble this book. . . .

Urge members of your congregation
to compile a similar volume. . . .

Make sure that your ALCW president
and Bible study leaders,
your adult education director,
your Luther League advisors,
and your pastor each have one. . . .

At the end of each year,
add the free Lutheran Standard Index
for easy reference to the articles
you need for your discussion group.
Group use guides are available on
request, without charge, from
